## **Amzak announces investment in Whitney International**

Amzak Capital Management is pleased to announce that it has agreed to invest a minority equity investment position in Whitney International University System. Scot Fischer, Manager Partner at Amzak, will also join the Board of Directors. The terms of the transaction are private.

Whitney International is a leading provider of higher education throughout Latin America. Through our system of higher education institutions and innovative marketing and delivery systems, we provide increased access to affordable, high quality postsecondary education throughout the region.

Whitney provides increased capacity for enrollment growth to a region of the world where the demand for higher education is rapidly rising. Whitney helps achieve the goal of equal access to information, knowledge and opportunity for all citizens throughout Latin America.

Amzak Capital Management is the investment vehicle for the Kazma family. Amzak makes business development, debt and equity investments in a range of industries domestically and internationally. The group considers investments from a control perspective as well as minority investments across the capital structure, and has a particularly strong track record in the media and telecommunications sectors. Amzak is headquartered in Boca Raton, FL.
